**Subject:** Conversion of Copper Fixed Line to Fiber

Dear Sir,

I am writing in response to your letter No. BT/SWR/GED/05/2024/552, dated 01.10.2024, regarding the procurement of an Optical Network Terminal (ONT) and the installation of backend fiber equipment at the Gedu BTL exchange.

Unfortunately, I regret to inform you that due to budgetary constraints as the year 2024 is nearing its end; we are unable to proceed with this process at this time. However, we plan to include the necessary provisions in our 2025 budget. We will ensure that everything is arranged and implemented at the beginning of the New Year.

I would be grateful if you could kindly consider my request and allow for the extension until next year.

Thank you for your understanding.

Sincerely,

  
Singye Rinzin
