Good afternoon Madam Sonam,

Please help us to get one laptop for clearing and forwarding the office of MDP, Phuentsholing. With internet problems due to the summer season, we are having issues at MDP. If we have a laptop then we can share the internet through hotspots and provide the service to our clients. For other Agents, they have laptops and provide services even during the power shortages.

Regional Revenue and customs office, phuentsholing is also informing all agents to have laptops to provide better service.

Please help us la.

Sincerely,

--

DAWA (MR.)

Regional Manager, Phuentsholing-Southern Region.

Bhutan Post (Government owned Corporation).

The office No. 05-252242
