

# **HAA IMTRAT FAIR EXHIBITION REPORT**

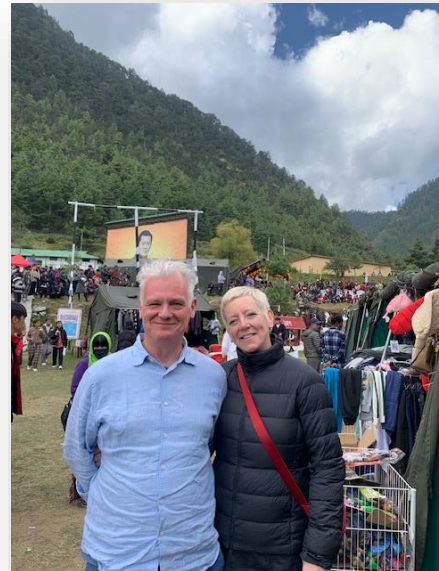

-Submitted by Jimba Chopel

Haa Imtrat Mela was celebrated from the date 18<sup>th</sup> to 20<sup>th</sup> October, 2024. Three days of the celebration included lots of shows and gathering for the people to gather and have a scrumptious meal. I also eagerly participated in our settlement of stall, or an exhibition with the huge support from the APS Major Rohit sir and the officers Sarath and Neeraj Sir. I travelled from here on 17<sup>th</sup> (Thursday) and reached there by afternoon. After reaching there, the exhibition stall was set up and ready to be displayed with the help from APS Officers.

In these three days' fair, I was fully engaged in lots of activities like making personalized stamp, clicking the pictures to produce their personalized stamps, selling the post cards and collection stamps, RMA notes and explaining the guests and the people about our background of the office, stamps and the purpose or symbol of the stamps. I also got the opportunity to teach the APS Major on how to dress out National dress "Gho" and "Kira" to him and his family.

From the three days IMTRAT fair, the total amount of sales is Nu. 30,105/- (Cash Nu. 26,725 and MBOB Nu. 3380). After successful completion of the IMTRAT fair on 20<sup>th</sup> October, I returned back to Thimphu on 21<sup>st</sup> October.

Thank You
